INTRODUCTION

B.Tech Computer Science student with interests in software development, cybersecurity, AI, and automation. Skilled in web development, Python, Linux, networking fundamentals, and AI automation tools, with hands-on experience through projects and practical learning. Eager to explore emerging technologies, contribute to technical communities, and continuously strengthen my skills through real-world projects.

KEY COMPETENCIES

(TOOLS & PLATFORMS)
VS Code, Git/GitHub, Linux, Kali Linux, Canva, Make.com

(TECH SKILLS)
Web Development, Cybersecurity Fundamentals, Networking, Linux CLI, AI Automation, Workflow Automation

(Languages)
Python, JavaScript, HTML/CSS,

ABOUT ME

I am a second-year B.Tech Computer Science Engineering student at Delhi Technical Campus. I am interested in software development, cybersecurity, AI, and automation, and enjoy exploring new technologies through hands-on projects and practical learning. I have worked on projects such as Say It Back and Synapz while developing my skills in web development, Python, Git/GitHub, Linux, networking, cybersecurity, and AI automation. I have also participated in technical events and competitions, which have helped me develop my teamwork, problem-solving, and communication skills. I am continuously expanding my technical knowledge through projects, cybersecurity labs, automation workflows, and self-learning.

PROJECTS & INVOLVEMENT

• Say It Back: Developed an innovative project focused on enhancing communication and user interaction through technology.
• Synapz: Built a project aimed at creating smart and efficient digital solutions, demonstrating problem-solving and software development skills.
• E-Yantra (Service Whisperer): Participated in the E-Yantra competition and contributed to the development of the "Service Whisperer" project, focusing on technology-driven service solutions.
• Smart India Hackathon (Flora Friend): Participated in the Smart India Hackathon and worked on "Flora Friend," a project designed to provide innovative solutions related to plant care and environmental sustainability.

EDUCATION

Education

Standard	Percentage/CGPA	College/University	Year
BTECH (CSE-DS)	1st year - 8.1gpa	Delhi Technical Campus	2025-29 (pursuing)
12th	85%	Balvantray Mehta Vidya Bhawan Anguridevi Shersingh Memorial Academy	2025
10th	92%	Balvantray Mehta Vidya Bhawan Anguridevi Shersingh Memorial Academy	2023
